INVITATION FOR EXPRESSION OF INTEREST

COUNTRY: JAMAICA
PROJECT NAME: ELECTRONIC FARE COLLECTION SYSTEM RESEARCH
REFERENCE NUMBER: JUTC/LO-0572/21
SELECTION METHOD: QUALITY AND COST-BASED SELECTION (QCBS)

The Jamaica Urban Transit Company Limited (JUTC), a public transport company with registered offices at Michael Manley Drive, Twickenham Park, Spanish Town, St. Catherine, Jamaica and owned by the Jamaican Government, currently uses an electronic fare collection system (EFCS), which is at the end of its useful life.

In light of the above, the Company is required to conduct a market research in order to develop a comparative estimate of the price to expect from potential bidders to provide a new EFCS.

The JUTC now invites eligible national or international individuals or firms, to indicate their interest in providing the Company with the necessary service, to conduct the relevant market research and compute a comparative estimate. Interested parties are required to provide information demonstrating the required qualifications and relevant experience to perform the service. The shortlisting criteria are:

- Proof of extensive knowledge of public passenger electronic fare collection systems
- Understanding of major financial systems and integration with third-party payment technology
- Strong information technology, analytical, and project management skills
- Comprehensive experience in system analysis and design
- Experience with implementing IT Enterprise Systems in large organizations.

For more details, please visit **www.gojep.gov.jm** via which all Expressions of Interest including company profile and curriculum vitae with bio data of major personnel to be assigned to the project must be submitted no later than **2:00 p.m. Friday, January 07, 2022.**

PROSPECTIVE SUPPLIERS OF A NEW EFCS SHOULD NOT PARTICIPATE.
